SUMMARY

Highly motivated Full-Stack Web Developer with 2 years of hands-on experience and a background in management and teaching. Skilled in problem-solving, time management, communication, and teamwork, eager to contribute to a dynamic engineering team and create fast, modern, and responsive web applications in a junior development role.

TECH:

React.JS, Javascript, CSS3, HTML5, VS Code, Github, Postman, Postico, Node.JS, MongoDB, Google Firebase, Express, SQL, Postgres, Axios, Stripe, Redux, Adobe Illustrator

PROJECTS

Cratediggers | Developer | March 2022 | the-crate-diggers.herokuapp.com | <https://github.com/2110-FTB-PT/troubleshooters>

- Enhanced functionality of product display by 100% by utilizing Framer components.
- Designed and developed reusable CSS and JSX components, resulting in 50% reduction in development.
- Utilized SQL to manage data and ensure seamless integration with the backend.

House Marketplace | Student | Jan 2023 | <https://house-marketplace-app-gules.vercel.app/> | <https://github.com/alancuenca/house-marketplace-app>

- Demonstrated expertise in full-stack development through the successful deployment of the app.
- Implemented Google Firebase to manage data storage and authentication improving security.
- Designed a user-friendly interface to improve user experience and engagement.

Forkify Recipe App | Student | Nov 2022 | <https://forkify-alan-cuenca.netlify.app/> | <https://github.com/alancuenca/complete-javascript-course/tree/master/18-forkify/final>

- Utilized Javascript, Node.JS, Bootstrap (CSS), AJAX to build a recipe application that calls APIs and displays recipes.
- Followed MVC (model view controller) architecture pattern to ensure modular and maintainable code.
- Completed a 69-hour course to develop a comprehensive understanding of Javascript and its applications in web development.

PROFESSIONAL EXPERIENCE

Gray Quarter | June 2022 - July 2022

- Successfully utilized Jira and timesheet management to accurately bill clients with 100% accuracy.
- Demonstrated strong Javascript skills by writing automation scripts using the Accela library, streamlining processes and reducing manual effort by 100%.
- Contributed to team projects, working collaboratively with colleagues to deliver work orders on Github.

Santa Maria Bonita School District | Oct 2020 - June 2022

Therapeutic Learning Program Educator

- Demonstrated strong teamwork skills as a member of a specialized education team, focused on the developing strategies and milestones to improve outcomes for at-risk students.
- Built positive relationships with students and families, providing individualized support and guidance to promote success.

Walgreens | Oct 2015 - Sept 2019 | Shift Leader

- Demonstrated strong leadership skills as a Shift Leader, overseeing multiple aspects of customer experience and satisfaction, including retail, digital sales, and pharmacy, resulting in a 20% increase in customer ratings.
- Implemented effective training and development programs to enhance the performance of team members, contributing to overall operational success.

EDUCATION

Fullstack Academy Certificate of Web Development | Oct 2021 - Apr 2022

Immersive 6 month web development bootcamp learning front-end and back-end web development using: React.JS, Node.JS, Express, Javascript, CSS, and much more.

UC Santa Cruz BA, Art/Art Studies | Aug 2012 - Jun 2015

Allan Hancock College AA Liberal Arts | Aug 2007 - June 2009
